Thank you to the Hahndorf Inn, Noske butchers, Hahndorf IGA and Sportspower Mt Barker as without their support we wouldn't be able to play and compete as we do.

2012.....

To succeed we need your help!

Please consider being part of the committee. It is not essential that you attend every meeting but we need your input and ideas. Many hands make light work as the saying goes, so if everyone could just do a little bit extra our Club can only get better.

ANNUAL REPORT 2011

2011 has been a fantastic year at Hahndorf Soccer Club with both on field success and the facilities at Pine Avenue improving.

The Senior teams were able to hold their place in Division 2 of the SAASL, while many Junior teams won or came runners up in their age groups.

The change rooms became a usable space for players to utilise before games and the verandah area was appreciated by many spectators in our harsh Hills winter conditions.

Annual Report 2011

Committee

On the Committee for 2011 were: Stuart Thomas (President), Daniel Mardle (Vice President), Anita Kerr (Secretary), Donna Thomas (Treasurer/Senior Registrar), Vicki McCleary (Junior Registrar), Graham Phillips (Coaching Co-ordinator), James Kerr (Grounds and Facilities), Michael Litchfield (Merchandise), Suzanne Fuzzard, with assistance by Natasha Kuller and Kathy Peacock (Canteen), Jill Millhouse (Equipment), Basil Barriga and Paul Rees. Unfortunately a few members had to pull out during the season and this left the remaining few to take on a larger workload or some tasks weren't completed.

- Senior Registrar - 50 players were registered with the SAASL. We had three teams - the A's and B's in Saturday Div 2 and a "C" team in Div 6.
- Junior Registrar - 135 children were registered with the AHJSA and we had 18 youngsters participating in our Development Squad.
- Coaching Co-ordinator - assisted with team nominations, training times and locations. Several of our Junior Coaches attended additional training courses.
- Grounds and Facilities - The pitch at Hahndorf is the envy of the Hills thanks to the many hours Rob Kilpatrick puts into its maintenance each week. Rob has also been the back up for line marking if rostered team has been unable to complete that duty. The Club has been working towards completing the power connection and changerooms internals with the view to have the majority of it completed prior to the 2012 season.
- Merchandise - Many juniors took the opportunity to pur-

chase Club hoodies with the new logo. There are still hoodies and polo tops available for purchase.

- Canteen - The canteen is our major income earner throughout the season. As such we need for it to be open and staffed at every opportunity. Unfortunately this season with many of the "C" team games programmed away from the other senior teams the canteen wasn't utilized enough. The junior games were well covered by parents however the support during senior games was of a concern.
- Equipment - This has been a constant focus with the need to supply balls, shirts and training equipment. A new comprehensive first aid kit has been installed in the canteen for "Home" games. Concern for the aging goals and nets is a priority for 2012.
- Social - We struggled to organize events for the whole Club. A movie night was well attended by the younger junior teams and the junior teams also had "Dinner Nights" at the Hahndorf Inn. Both the Junior and Senior Presentations were well attended.
- Communications - The ongoing need of getting information out to members remains an issue. The Club currently does have two websites which need work. A Facebook page, organized by seniors, assists with the distribution of some information. Communication via Team Managers for the juniors works well.
- Grants and Sponsorship - The Club was unsuccessful in obtaining additional funds from the Council this year, however we are in the process of applying for more funding now. Any additional money would go towards the changerooms and power connection. Sponsorship is a necessary part of any Club and

Coaches

The Seniors were well supported by: Steve Handley (Head Coach), Phil Stevens, Bob McIntyre, Graham Phillips and Phil Brooks. The Junior Coaches were: U17G - Werner Eidam, U16 - Nick Papavasiliou and Wayne Forrester, U14G - Simon Blake and David Allanson, U14 - James Kerr, U12G - Ron Smith, U12 - Paul Rees, U11 - Brenton Rogers, U10 - Daniel Mardle, U8 and Development Squad - Graham Phillips.

Senior Teams

The Senior Teams (A's and B's) were able to hold their position in division 2, finishing in 7th and 9th positions, where we can build on during 2012. The "C" Team finished 6th in Division 6. The Club must look at ways to improve the transition from juniors to senior teams.

Junior Teams

Hahndorf was very successful this season with the League winners: U14Gs, U12s and U11s and Runners Up: U17Gs and U16s with the U14s finishing equal 2nd. Cup winners and runners up were: U14G, U14, U12 and U11.

Hahndorf was also well represented the AHJSA presentations where U16 Jake Papavasiliou was awarded the competitions Best and Fairest and U11 Brishan McPherson won the U11 Brishan McPherson Rising Star Award. All of the non-competitive teams showed great sportsmanship and a yearn for learning the game.

Hahndorf also had many players selected in the Adelaide Hills Representative teams, Country Teams and State Talent Identification Championship squads.
