

Volunteersthe back bone of our Community Club

The Hahndorf Committee is extremely grateful for all of the volunteers who contribute to the Club - our Club, your Club. There are so many people who offer their time, knowledge and skills to help build the Hahndorf Soccer Club to one of the largest clubs in the Hills.

Volunteers help with - coaching, managing teams and volunteers, looking after the grounds, attending governing body meetings, running the canteen, chasing sponsorship, managing the clubs finances, purchasing equipment and merchandise, fundraising, registrations, refereeing, transport, at working bees, facilities, child safety guidelines, updating the website and facebook page, Courier articles, supplying oranges, running the lines.....and the list goes on.

It certainly takes a lot to have a successful Club.

Thank you

Annual Report 2015

Committee

The 2015 Committee consisted of Graham Phillips (Chairman), Anita Kerr (Secretary), Daniel Mardle (Treasurer), Toni Radford (Equipment/Merchandise), Steve Shotton (Grounds/Facilities/Sponsorship), Mark deLange (Grants/Fundraising), Cacilia Ewenz (Canteen), Tracy Weyland (Junior Co-ordinator) and Stephanie Francis (Child Safe Officer). The Committee met once a month to manage the running of the club. Details below outline some of the work that was undertaken throughout the year:

- **Players Registered** - we nominated two senior men's teams with the SAASL in Division 3 (A's and B's) with 36 players registered; the club had one senior women's teams in the FFSA Div 3 competition and 20 players registered; Hahndorf had 137 children playing in 12 teams affiliated with the AHJSA and 7 beginners participating in our Miniroos program for 4-6 year olds.
- **Facilities/Grounds** - a new "Mylor" Agreement was signed guaranteeing the club use of the Mylor oval and changerooms for 5 years, plus our club contributed funds to install more lighting on each tower; we hired the Hahndorf Primary School gym three nights a week from July to September allowing our seniors and competitive juniors to train indoors. The club is continuing to work on the changerooms and public toilet area and we are working in conjunction with the Hahndorf Oval Committee on improved parking and signage at the complex.
- **Canteen** - after much discussion and research we installed a coffee machine in the canteen to provide a range of coffees at both junior training and home games; the Club applied and was approved at Level 1 of the Goodsports program involving RSA volunteers and monitoring incidents; plus clearer instructions were provided for volunteers.
- **Equipment** - all teams were provided with "kit" bags which included the teams playing shirts, first aid kits, bibs, ball pumps, balls, drink trays and ground steward vests. New goal nets were purchased and the U10 team had a new strip. To add to the merchandise available the club ordered back packs, caps and beanies.

- **Publicity/Media** - our website and Facebook page is constantly up-dated; the club has had an article in the local "Village Voice" community magazine and we regularly "fill" the Courier's Soccer pages with write ups on both the junior and senior games - this is a great way to showcase our club and sport .
- **Sponsorship** - the local businesses in Hahndorf have been very supportive with assistance from the Hahndorf Inn, Hahndorf Resort, Hahndorf Fruit and Veg, Noske Butchers, Hahndorf IGA and Ottos Bakery. The latest sponsor is Dial 4, a club member, providing equipment for the Junior Presentation.
- **Grants and fundraising** - we have applied for funds through the Active Club Program and raised over \$2,000 through the "Cadburys" chocolate fundraiser.
- **Compliance** - the club strives to have all of our volunteers cleared with Police checks and comply with the FFSA Child Safe standards, plus have all of our coaches accredited.

Coaches

The Club was looking for a new senior men's coach after 2015 coach Brendan Kilpatrick moved to Sydney. We were fortunate to appoint Sam Putallaz, a past player, who continued to adopt the philosophy of attracting past Hahndorf junior players back to the club. Unfortunately, due to family reasons, Sam had to resign in late April and assistant coach James Kerr took over. He was assisted by Simon Gale, Werner Eidam continued as the senior women's coach for a second season.

The junior coaches included some long term club coaches and several new parents willing to learn and contribute. The coaches were - Cacilia Ewenz - U17G, Graham Phillips - U16, Daniel Mardle - U14, Nick Frangiosa, assisted by Enzo Dama - U13G White, Mark deLange - U13G Black, Noel Probert - U12 Black, Ben Baker - U12 White, Scott Lang-

ford, assisted by Claudia Kerr - U10, Chris Lennon, assisted by Mark Scown - U9 Black, Claudia Kerr, assisted by Erin Pedder - U9 White, Graham Phillips - U8 and Daniel Mardle the Miniroos. The Club is proud of the fact that all of our junior coaches have attended the appropriate coaching courses, as per the AHJSA Coaching Standards, and follow the national FFA curriculum.

Senior Teams

After a settling in period the men's teams gradually improved and got some wins on the board - the A's finished 3rd and the B's climbed off the bottom of the table. Due to team nominations with the SAASL Hahndorf may be promoted to Division 2 in 2016.

Regular numbers in the women's team increased with several players coming from Strathalbyn after they failed to nominate a team. This provided a stable team structure and surprisingly allowed for players on the bench. After the first 11 rounds, the teams in the FFSA's Div 3 competition were split into two groups with Hahndorf placed in the lower group. The women were constantly improving and working as a team to finish 8th overall.

Junior Teams

For the first time in several years we had strong numbers in our Under 17G team, with the girls finishing in 2nd spot in the AHJSA competition. The U16s were 3rd after a very tight finish with make up games scheduled mid week towards the end of the season. The U14 team was placed into Div 1 after the grading rounds and finished 6th in their group. We nominated two U13G teams due to large numbers at the start of the year, then with absences during the season shuffled players to compete each week - well done finishing 3rd and 4th. We also had two U12 teams - one in Div 1 finishing 4th and the other in Div 3 finishing 2nd,

The following Hahndorf players were selected into the AHJSA Representative Teams: U16G - Zoe Smith, Nadia Maxwell and Angelina Bottin; U16 - Jayden Miller, Piers Lewis and Shaun Veale; U15 - Thomas Cribb; U13G White - Eliza Stone, Matilda Spanner, Arwen dePree, Matilda Shotton, Molly Kell and Erin Peacock; U13G Red - Gemma Doyle, Nicola Loeff, Madelyn Lyall and Lillie Yiatrou; U12 - Tully Probert and Ari Scott-Cowling; U12D Red—Edward Spanner; U12D Blue - Tom Baker, Simon Pottharst, Asher Sayer and Hunter Hoy. Well done everyone.
