

## 2019 Season Sponsors

There are several ingredients that make Hahndorf Soccer Club successful. We'd like to take this opportunity to publicly thank our club sponsors without which our registration fees would be much higher, our facilities wouldn't be improved as quickly, and we wouldn't be able to provide the match incentives (eg: donut vouchers and Sportspower vouchers) for our players. So, a big thank you to our sponsors, many of which have been associated with the club for many years.

As club members there's two ways you can help keep our sponsors coming back:

- Please support them whenever you can
- When you are in their stores, please thank them for their support of HSC

### Platinum Community Partners

Sportspower Mt Barker  
Hahndorf Fruit & Veg Market

### Gold Community Partners

Kloses Foodland

### Silver Community Partners

## Annual Report 2019

Breaking news.....

Let there be  
**LIGHT!**

The Hahndorf Soccer Club **SUCCESSFULLY** applied for a Community Recreation and Sport Facilities Program grant.

We are delighted to inform all members that our application has been successful in receiving funding for the Hahndorf Soccer Club Pitch Lighting Project.

The funding will be subject to our Club entering into a Grant Agreement with the Government of South Australia.

The financial assistance provided will have a positive impact on our Club, as well as, provide many positive benefits for active recreation and sport within the community.

# Annual Report 2019

The 2019 Hahndorf Soccer Club committee consisted of Graham Phillips (Chairman/Grounds), Anita Kerr (Secretary/Registrar), Paula Liddle (Treasurer), Claudia Kerr (Coaching Director), Jeremy Hack (Equipment), Steve Shotton (Sponsorship), Rob Kilpatrick (Grounds and Facilities), Mark deLange (AHJSA Delegate), Jess McPherson and Claire Gillespie (Canteen), Narelle Hardingham (Junior Co-ordinator), Narelle Whiting (Marketing/Media), Michelle Bessen (Girls Rep) and Petra Dunaiski (Child Safe Officer); with assistance from Susie Kell (Website) and Mel Schwarz (non-comp co-ord).

*Some of the committee members at Shirt Presentation Day*

The Committee met once a month to manage the running of the club. Details below outline some of the work that was undertaken throughout the year:

- **Players Registered** - Hahndorf had 6 miniroos (4-6 year olds), 51 non-competitive players (7-10 years olds) and 86 competitive players (10-17 year olds) register this season. We had one U8, two U9, two U10, two U12, one U13G, one U14, one U16 and one U17G teams nominated with the AHJSA, slightly down on 2018, numbers. Almost a whole team of U13Gs went to the Hawks. The Club had one senior men's team (25 players registered) and one women's team (18 players registered, including several girls from our U17G team, plus 3 'Guest' players).
- **Facilities/Grounds** - The northern drain was cleared out early in the year to improve pitch drainage. Pre-season a new automatic watering system was installed and the ground was oversown with a winter grass to increase the longevity of our prized pitch. Cutting, rolling and marking the pitch was a weekly task.

A new equipment shed was erected behind the Home change-room allowing for easy access and freeing up space in the main shed area. Rubber flooring was laid in the Home and Away changerooms. Cornerstone College courts, Mylor Oval and the Hahndorf Primary School gym were hired for training purposes.

- **Coaches** - Club coaches were: Graham Phillips and Michael Driver (senior men), Callan Marshall-Hart (women), David Peacock (U17G), James Kerr (U16), Graham Phillips (U14), Tim Veen (U13G), Ramsay Taplin and Ben Dahmke (U12), Greg Liddle and Christian Neumann (U10), Steven Tully and Tim Verryt (U9), Eddie Hardingham (U8) and Graham Phillips (miniroos). The coaches were assisted each week with dedicated team managers, who managed all the paperwork to ensure players could take the field.
- **Equipment** - The club plans to have a standard sublimated style of shirt throughout the teams, with several kits being replaced each season. Standard goalie shirts, orange with club logo, were also introduced for every team. Balls, cones and other training equipment was also purchased.

*Well maintained equipment for every team*

- **Merchandise** - We continued to stock a range of merchandise (hoodies, scarves, socks, shorts, polos) allowing members to purchase directly from the club. We didn't however have one person designated to the role, to push and introduce a new range in 2019.
- **Publicity/Media** - A newsletter was introduced and emailed to all members with current updates and information. The Club website and Facebook page were updated regularly. The AHJSA introduced a new online process for submitting match reports, in addition to the recording of match results. Photos and reports were also sent into the local paper promoting Hahndorf to the wide community.

- **Canteen** - As a result of having as many games as possible at Pine Ave the canteen remains one of the clubs major source of income. Prices are kept to a minimum in support of families utilizing the facility.

*Building a link between the Snr Men and U16s*

- **Senior Teams** - Pre season saw the departure of several senior men from 2018 which provided an opportunity to rebuild an inclusive 'Club Culture' for players to enjoy football playing with their mates. We nominated one men's team in the SAASL Saturday Division 7 competition and they successfully finished the year in 3rd spot. The women's team had an enjoyable season, however, injuries and absences meant most games were played with 10. They finished 9th in the FFSA Community League, Division 4 competition.
- **Juniors** - The added bonus of only having one Men's team meant that we were able to have more junior games programmed at Pine Ave. Our non-competitive games were played at 'Home' every Saturday morning. No results are recorded, as the main aim of this age group is to enjoy the sport and have fun with friends. The girls teams had mixed results - the U13Gs finished 2nd in the league and WON the Cup, while the U17G team finished 3rd (relying each week on U13Gs filling in).

*Enjoying oranges supplied by the Hahndorf Fruit and Veg*

The competitive teams also had mixed results - U12B 2nd, U12W 7th (both in Div 2), U14 6th (they were moved to Div 1 after the grading rounds) and U16s finished 6th too.
